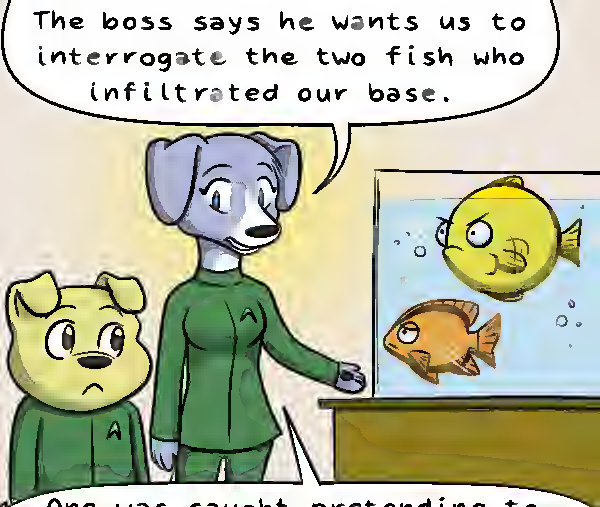
WEB TOON

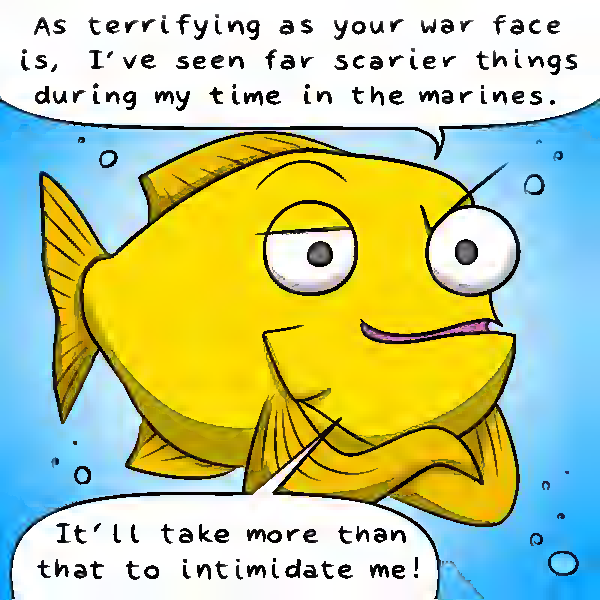


The boss says he wants us to interrogate the two fish who infiltrated our base.
One was caught pretending to be a beach ball in the facility kiddie pool, and the other...

I, uh, got lost in the sewer system and ended up in your guys' toilet.
FWOOOSH
Oh! You mean the communal drinking fountain?

Anyway, spill it, fish! Water your nefarious plans?!
Pfuh! As if I'd ever be gillty of leaking that finformation to you, mutt!

Don't make us resort to intimidation tactics!
Yeah! I'll bop you one!
GRRRR!
Oh, please.



As terrifying as your war face is, I've seen far scarier things during my time in the marines.
It'll take more than that to intimidate me!

Hey, have you guys been to the faculty lounge yet?
Someone brought spicy tuna rolls, and they are amazing!
